

# Facility Management Services in North America Market 2017–2021 : Global Drivers, Opportunities, Trends, and Forecasts

*Facility Management Services in North America Market 2017-2021*

PUNE, INDIA, October 20, 2017  
/EINPresswire.com/ --

WiseGuyReports.Com Publish a New Market Research Report On - “Facility Management Services in North America Market 2017–2021 : Drivers, Opportunities, Trends, and Forecasts”.

The analysts forecast [the facility management services](#) market in North America to grow at a CAGR of 13.69% during the period 2017-2021.

The FM services market in North America has entered a high maturity phase due to increased awareness among end-users in the region. The market will continue to grow at a stable rate during the forecast period due to high maturity of end-users. End-users in North America prefer outsourcing of facility related services as it reduces the risk and responsibility associated with the in-house operation. High infrastructure development in the region has led to an increased demand for specialized vendors that possess the skill to operate both technical as well as non-technical functions within a facility.
