

InCapta, Inc., in Negotiations with Russian Author and Businessman to Produce an Inspirational Film about his life.

Dr. Said Davlatov, author of numerous books including, "Me and Money – the Psychology of Wealth", has slate of films he wishes to develop in 2018 and beyond.

DALLAS, TX, UNITED STATES, October 20, 2017 /EINPresswire.com/ -- InCapta, Inc. (OTC PINK: INCT) has entered in negotiations to write a screenplay and produce a movie about the life of a Russian businessman, Dr. Said Davlatov, author of numerous books including, "Me and Money – the Psychology of Wealth." Dr. Davlatov has a number of films he wishes to develop in the future.

A Dallas businesswoman who is National Executive Director of (XLAA) X League

Athletics Association, supporting Veterans through Sports, Victoria Metzger, introduced Dr. Said Davlatov and Greg Martin, President of InCapta, Inc., knowing they could face some language barriers. Dalatov's intepreter and business partner, Dr. Alex Pomelnikov, quickly bridged the gap.

People share a love of movies, sports, and food and in this case, their desire for success. Dr. Davlatov presented Mr. Martin a copy of his latest book, "Me and Money – the Psychology of Wealth." and some delicious Russian chocolate. Mr. Martin agreed to provide Davlatov some golf lessons since he's a former professional golfer.

Chairman and President Greg Martin said, "Said's story truly moved me and we believe it will move audiences worldwide. The two words I knew in Russian made everyone laugh. I didn't realize until our second meeting that Said played golf and he didn't know I was a former professional."

Dr. Davlatov submitted a screenplay outline for consideration to Mancuso Martin Productions last year at their first meeting and Mr. Martin agreed to write the screenplay once Dr. Davlatov completes his current documentary.

Certain statements in this news release may contain forward-looking information within the meaning of Rule 175 under the Securities Act of 1933 and Rule 3b-6 under the Securities Exchange Act of 1934, and are subject to the safe harbor created by those rules. All statements, other than statements of fact, included in this release, including, without limitation, statements regarding potential future plans and objectives of the company, are forward-looking statements that involve risks and uncertainties. Technical complications that may arise could prevent the prompt implementation of any strategically significant plan(s) outlined above. The company cautions that these forward-looking statements are further qualified by other factors including, but not limited to, those set forth in the company's latest Form 10-K filing and other filings with the U S. Securities and Exchange Commission (available at www.sec.gov). The company undertakes no obligation to publicly update or revise any statements in this release, whether as a result of new information, future events, or otherwise.

SAFE HARBOR:

The aforementioned statements and any future correspondence made by InCapta, Inc. (the Company) may be forward-looking in nature, particularly related to the business plans of the Company within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934, and are subject to the safe harbor created by these sections. Actual results may differ materially from projected statements. The Company believes that its primary risk factors include, but are not limited to the need for substantial financial requirements; the need to develop effective internal process and system; changes in the overall economy; changes in technology, the number and size of competitors and the mix of products and services offered in its markets; and changes in the law and regulatory policy. Additionally, certain information included in this

communication contains statements that are forward-looking, such as statements relating to the future anticipated direction of the financial service industry, plans for future expansion, various business development activities, planned capital expenditures, future funding sources, anticipated sales growth and potential contracts. These forward statements are subject to a number of known and unknown risks and uncertainties that could cause actual operations or results to differ materially from those anticipated. These risks include, among others, risks associated with unproven sales of the Company's products, risks associated with the consumer products industry and the risks related to the transition to a new management team.
