

Ella All-in-one Trekking pole Set to Launch on Indiegogo

Innovative outdoors gear that brings the latest technology to trekking & hiking enthusiasts set to hit crowdfunding.

TORONTO, ONTARIO, CANADA, October 20, 2017 /EINPresswire.com/ -- The Ella team is stoked to introduce a brand new trekking innovation: an all-in-one pole design conceived to suit the needs of outdoors enthusiasts.

Whether you are a seasoned trekking veteran or occasional fan, you will certainly enjoy the amazing features of this top-of-the-line product.

Ella All-in-one Trekking pole provides an extensive variety of useful tools and for trekkers and hikers. The product has been built with strong carbon fiber to enhance its durability and versatility. It is water-proof and it features a built-in locking mechanism to secure it for every application.

Get creative and discover the many ways you can use this trekking pole! It can become a cool selfie stick, or it can be used to make phone calls or play back audio, thanks to the featured Bluetooth speaker. It can also serve as a portable power bank to charge your devices on the go!

This product is coming from the mind of an electrical engineer who is also passionate about outdoors life...bringing best of both worlds to the table and combining advanced technology with timeless flexibility for any outdoor activity!

Ella All-in-one Trekking pole is live on [indiegogo.com](https://www.indiegogo.com) now. The campaign will help the team launch this product and bring it to the market.
