

# MRO Asia-Pacific Update: B&H EXPANDS IN ASIA - NEW AEROSPACE FORWARD STOCKING LOCATION OPENED IN ALPS SINGAPORE

ALPS FREE TRADE ZONE,  
SINGAPORE, October 25, 2017  
/EINPresswire.com/ -- B&H Worldwide,  
accredited as the world's [best-in-class aerospace logistics company](#) has expanded to a new facility in Singapore.

The company has operated in Singapore's Free Trade Zone since the 1980's and has now expanded to a new location within the ALPS Free Trade Zone.

Says B&H Worldwide Group CEO, Stuart Allen: "Singapore is an important

strategic hub for our global operation and with our customer base of airlines, spare part stockists, MROs and repair vendors, we are committed to ensuring we meet their requirements through a single, dedicated far larger facility. Through opening our new site, we will continue to expand our

“

Through opening our new site, we will continue to expand our services and provide a full range of specialised solutions for handling critical aerospace parts...”

services and provide a full range of specialised solutions for handling critical aerospace parts, from aircraft engines and specialist avionics through to components and consumables. In particular the demand for the B&H FSL (Forward Stocking Location) service and storage of aircraft engines in Singapore has driven the requirement to expand into a larger facility”.

B&H is exhibiting at MRO Asia-Pacific on October 31 – November 2nd 2017 in Singapore and welcomes site visits from both existing and new customers. Please come visit us at booth 903.

To arrange a meeting at MRO Asia-Pacific please email Seth Profit, Group Sales Director: [sprofit@bhworldwide.com](mailto:sprofit@bhworldwide.com).
