No surface was left untouched in the remodel as evident by the granite counter tops in the kitchen and restrooms as well as the hardwood flooring throughout the home. Kitchen is also the only one in the community that features an exterior venting exhaust hood in case the chef in the family wants to do some heavy duty cooking. Dual pane windows and sliding doors replace recently also add to the serene nature of the home and this unit in particular is centrally located in the community to be steps away from the community picnic area and pool. Take a look outside the private balcony overlooking a mountain view and relax in your new home. Close to restaurants, shopping and major highways this is one to be seen to be appreciated! Or, just as bad, if you sell first, you could end up homeless. It's what insiders in the industry call the Real Estate Catch 22, and it's an extremely anxious position to find yourself in.

This financial and emotional tightrope is one you usually have to walk alone because most agents have no way of helping you with this predicament. But one local real estate agent has created a unique Guaranteed Sale Program which solves this dilemma. This program guarantees the sale of your present home before you take possession of your new one. If your home doesn't sell in 120 days, they will buy it from you themselves for the previously agreed price ensuring that you never get caught in the Real Estate Catch 22.

Before you hire any professional, you should research the market to find out who can do the best job for you. When interviewing agents, find out what kind of guarantee they are willing to give you with respect to the selling of your home. In a market where many homes listed for sale linger for months and months on the market, a guarantee which ensures that your home will sell is critical. Unfortunately, you'll find that most agents simply cannot make such a guarantee.

To help you learn more about this program and how it can make your move less stressful, a FREE special report has been prepared entitled "How to Avoid Getting Stuck with Two Homes".
