BUY THIS HOME AND I'LL BUY YOURS*

Every month, thousands of homeowners are faced with the stressful dilemma of whether to buy first or sell first. You see, if you buy before selling, you could run the risk of owning two homes. Or, just as

bad, if you sell first, you could end up homeless. It's what insiders in the industry call the Real Estate Catch 22, and it's an extremely anxious position to find yourself in.

This financial and emotional tightrope is one you usually have to walk alone because most agents have no way of helping you with this predicament. But one local real estate agent has created a unique Guaranteed Sale Program which solves this dilemma. This program guarantees the sale of your present home before you take possession of your new one. If your home doesn't sell in 120 days, they will buy it from you themselves for the previously agreed price ensuring that you never get caught in the Real Estate Catch 22.

Before you hire any professional, you should research the market to find out who can do the best job for you. When interviewing agents, find out what kind of guarantee they are willing to give you with respect to the selling of your home. In a market where many homes listed for sale linger for months and months on the market, a guarantee which ensures that your home will sell is critical. Unfortunately, you'll find that most agents simply cannot make such a guarantee.

To help you learn more about this program and how it can make your move less stressful, a FREE special report has been prepared entitled "How to Avoid Getting Stuck with Two Homes".
