SMi's 16th Annual Benelux Infrastructure Forum returns to Amsterdam this November

LONDON, UNITED KINGDOM, October 23, 2017 /EINPresswire.com/ -- SMi reports: SMi's 16th Annual [Benelux Infrastructure Forum](#) will return to Rome this November to discuss key drivers surrounding infrastructure [financing](#), funding opportunities and future risks.

SMi's Benelux Infrastructure Forum will return to Amsterdam this November. Returning for its 16th year, the conference boasts a well-established community, engaging fund managers, investors and service providers within the Benelux region, to discuss key drivers surrounding infrastructure financing, funding opportunities and future risks.

With only four weeks to go, this year's conference provides a line-up of highly acclaimed expert speakers. This year's speakers represent organisations from Alexa Capital, Allen and Overy LLP, European Long-Term Investors Association, Macquarie Capital and many more.

This year's forum will focus on emerging markets and future investment opportunities, particularly in the renewable sector. Topics will additionally include financing related to Public-Private Partnerships (PPP) and alternative forms of investment such as [refinancing](#) and debt financing.

The two-day event will further cover Alternative Markets in the Benelux Region, New and Diversifying players in Offshore Wind, Offshore Wind Auction Processes and Tender Systems and the European influence on Benelux Infrastructure amongst many other topics.

In addition to the conference, there will be a pre-conference workshop on "Financing Offshore Wind in the New Competitive Auction Environment" hosted by Amsterdam Capital Partners, taking place on the 21st November 2017.

The conference has established itself as the industry-leading event for the Benelux region and will provide an unparalleled opportunity to learn and network amongst senior executives in this thriving industry. Benelux Infrastructure Forum provides a platform to meet major players within this industry from banks, constructors and institutional investors to the lawyers and the regulators.
