

Uptime® Magazine Announces Best Reliability Program Award Winners for 2017

Uptime Awards recognize organizations who demonstrate excellence in managing equipment reliability using advanced strategies and high-tech sensing technologies.

FORT MYERS, FLORIDA, UNITED STATES, October 25, 2017 /EINPresswire.com/ -- Excellence in reliability and asset management acknowledged for best practice organizations.

Uptime®, a magazine serving over 50,000 maintenance and reliability leaders and asset management professionals, announced the winners of the Best Reliability and Asset Management Awards for 2017.

Winners will be honored in a special awards ceremony at the 32nd International Maintenance Conference ([IMC-2017](#)), hosted by Reliabilityweb.com®, scheduled December 11-15, 2017 at the beautiful Hyatt Regency Coconut Point in Bonita Springs, Florida. This year's event will be held on Wednesday, December 13th, during the morning conference assembly.

[Uptime magazine's](#) Reliability Program Awards recognize organizations that demonstrate excellence in managing equipment reliability using advanced strategies and high-tech sensing technologies to determine the early onset of a potential failure. 2017 [Uptime Awards](#) for Best Reliability and Asset Management Award winners are:

Discovering effective approaches to advancing reliability and asset management is a core part of our mission at Reliabilityweb.com.”

Terrence O'Hanlon

To learn more about Uptime magazine's Best Reliability and Asset Management Award winners and presentations, please visit the IMC-2017 web site at <http://www.imc-2017.com/>.

Since 2006, Uptime magazine has honored some of the most outstanding high-performance maintenance teams in the world for the results they produce with the Uptime magazine's Best Reliability and Asset Management Award. What began as a simple way to acknowledge special accomplishments has evolved into a valuable reliability improvement exercise as everyone who participates in the Uptime Award evaluation process discovers program benefit and performance improvements.

Nominations for the 2018 Uptime magazine's Best Reliability and Asset Management Awards may be submitted beginning April 2018. Visit <http://www.uptimeawards.com> for further information.
