

TurbineAero appoints George Poh to Vice President, Sales & Marketing - Asia Pacific

TurbineAero Repair

CHONBURI, AZ, THAILAND, October 25, 2017 /EINPresswire.com/ -- [TurbineAero](#) has appointed [George Poh](#) to Vice President, Sales & Marketing for TurbineAero Repair in Asia. In this key role, George will be responsible for all sales & marketing activities and serve all the customers in this region, driving commercial excellence for TurbineAero.

George is a strategic and analytical business development leader with over 18 years of professional experience in the Aerospace maintenance, repair and overhaul (MRO) industry. George's prior roles involved building and leading strategic teams for business development, new accounts, vertical development, market research/analysis, new product and key management/development, overseeing the commercial aspect of technical and operational matters. Prior to joining TurbineAero, George served as Vice President Asia Pacific, Airlines & Fleets for StandardAero. He began his career as Project & Operations Engineer with Honeywell providing technical and engineering support to repairs and overhaul components with auxiliary power units and accessories. He also served with Liebherr Aerospace and NORDAM as Sales & Business leader with APAC accountability.

"George brings on board two decades of professional experience and exposure in both OEM and independent third party MRO environments of Aerospace industry," said Peter Gille, Vice President and General Manager of TurbineAero Repair in Asia. "Coupled with his technical and commercial knowledge, as well as his invaluable network and contacts in the industry, we aim to have his overall attributes continue to deliver accelerated success in Asia Pacific region."

About TurbineAero, Inc.

TurbineAero was created to become the most comprehensive, flexible, and customer focused APU MRO Services company in the world. As the largest independent APU MRO globally, TurbineAero repairs, sells, leases, tests, and certifies APU and related parts accessories. TurbineAero currently has four locations, three business units are located near Phoenix, AZ and the fourth is just outside of Bangkok, Thailand.
