

Global Data Center Physical Security Market is Expected to Witness a CAGR of 17.04% over the Period 2017 to 2022.

RAIPUR, INDIA, October 25, 2017

/EINPresswire.com/ -- [Report Sellers](#)

has added a new market research report "[Data Center Physical Security Market](#)- Forecasts from 2017 to 2022" to its offerings. The report is an in-depth market study providing accurate market insights including the latest trends, forecast, competitive insights, etc.

The logo for Report Sellers, featuring the word "REPORT" in blue and "SELLERS" in yellow, with a stylized pie chart icon integrated into the letter "O" of "REPORT".

According to the report, the data center physical security market is expected to witness a compound annual growth rate of 17.04% over the period 2017 to 2022. Servers and storage units housed in the data centers require physical security from external threats capable of disrupting key business activities. Video surveillance through cameras, access control systems, perimeter security among others are some of the major security solutions being deployed by enterprises for physical security of data centers.

The growth of data center physical security market is also facilitated by the global rise in the number of new data centers, increasing security concerns over crucial data, and growing adoption of advanced security solutions. Adoption of innovative products and solutions is facilitating efficient monitoring and management of personnel for the data center facility is also contributing to the market growth.

Competitive Insights: The large vendors owing to their capability to invest in continuous R&D and prior industry knowledge restrict entry of new players in the market. The data center physical security market is highly competitive in terms of price, technology, and additional services being offered.

In order to sustain in the market, the players are focusing on innovation and product line extension. Some of the major players discussed in the report include Assa Abloy, Honeywell, Morpho, Tyco International, Siemens, Schneider Electric, Cisco System, Bosh Security System, and Axis Communication.

Report Scope

Data center physical security market has been segmented by type and geography.

By Type

- Hardware
- Software
- Services

By Solution

- Video Surveillance
- Monitoring Solutions
- Access Control Solutions

By Service

- Security Consulting Services
- System Integration Services
- Professional Services

By Vertical

- IT and Telecom
- BFSI
- Government
- Healthcare
- Energy
- Education
- Retail

By Geography

- America
 - North America
 - U.S.
 - Canada
 - Mexico
 - Others
 - South America
 - Brazil
 - Argentina
 - Europe Middle East and Africa
 - Europe
 - UK

Germany
France
Others
Middle East and Africa
Saudi Arabia
Israel
Others
Asia Pacific
Japan
China
India
Australia
