

Introducing the 3rd Annual Defence Logistics 2018

LONDON, ENGLAND, UNITED KINGDOM, October 30, 2017 /EINPresswire.com/ -- SMi Group are proud to announce the third annual Defence [Logistics](#) Central and Eastern Europe conference, to be held in Prague from the 6th – 7th March, 2018. www.defence-logistics.eu/ein

Based on the success of our previous two defence logistics conferences, which were supported by the Czech Armed Forces, we aim to enable senior logistics and combat service support representatives from regional militaries, international defence organisations, and commercial entities to share and learn from one another in a highly focused environment.

Defence Logistics brings together [military](#) speakers from regional and international nations to analyse and discuss the latest defence logistics advancements in terms of communications and C2 optimisation, transportation and logistics execution strategy, medical logistics capacity and planning, and logistics in mission operations.

How Will You Benefit?
