/EINPresswire.com/ -- Be the best version of yourself with help from the All Success Academy team led by [Sean Golriz](#). Golriz is certified by the International Board of Coaches and Practitioners, and with all the coaching skills given at his workshops, Golriz also ensures you'll have those lessons at your finger tips when needed. He has skillfully done so by authoring '[Master Your Path to Success](#)'. Sean Golriz is very passionate about success and sharing that with others. He states "Success is a very personal thing. What drives one person may be completely different for another. At some point, for me, success was having a lot of money, but as I grew older that changed. Nowadays, for me, it is spending my time doing what gives me a feeling of accomplishment and satisfaction, maximizing my potential and helping others in a meaningful way while providing myself the lifestyle and financial abundance that I desire.

All Success Academy is a leading Professional and Personal Growth & Development Organization helping create self-awareness in people and directing them on their path to achieving success, fulfillment and greatness. Their [personal development seminars](#) are organized to help individuals invest in themselves so that they can manage effectively whatever life might bring their way. All Success Academy aims at helping people around the world to make meaning out of their life and reach their full potential. Sometimes we are weighed down with everyday issues and tend to change direction or slow down on our path to success. Seminars organized by All Success Academy help people experience positive shifts through new awareness, procedures and strategies that work. Everybody has a chance to be satisfied with life, if only the first step in personal development is taken. Personal Development Seminars are the place to be for someone who wants to make rapid changes in their life. With seasoned and experienced seminar leaders, All Success Academy is the best option for personal development training.

The academy led by Sean Golriz & Trez Ibrahim, both Board Certified by the International Board of Coaches and Practitioners will guide participants into greater precision and focused direction in their life. Sean and Trez have an abundance of experience, working with clients and leading workshops on Personal and Organizational Development for many years. They dedicated their life to empowering

individuals to lead more fulfilling and productive lives. Through in-depth study and hundreds of hours of rigorous training, they combine various approaches and personal experience to guide participants to gain superior control of themselves and emerge with new behaviors enabling them to move forward on a path that is measurable and satisfying, regardless of where they were.

The Success Academy flagship program is “Reinvent, Revitalize, Realize”. A 3 day seminar grounded in a model of transformative learning which gives people an awareness of the basic structures in which they know, think, and act. From that awareness comes a fundamental shift that leaves people more fully in accord with their own possibilities and those of others. More than 90% of participants surveyed stated “Reinvent, Revitalize, Realize” seminar made a deep and long-lasting transformation in their lives.
