

# China Sulfonylureas Herbicides Market Latest Trends, Forecast and Market Analysis

*China Sulfonylureas Herbicides Market Research Report is a professional and trusted study on the current state of the Chinese sulfonylureas herbicides industry.*

China Sulfonylureas Herbicides Market Research Report

RAIPUR, INDIA, October 27, 2017

/EINPresswire.com/ -- Report Sellers

has added a new market research report "[China Sulfonylureas Herbicides Market Report 2017 Edition](https://www.reportsellers.com/market-research-report/China-Sulfonylurea-Herbicides-Market-Report-2017-Edition)" to its offerings. The report is an in-depth market study providing accurate market insights including the latest trends, forecast, competitive insights, etc.

Since the first sulfonylureas herbicide chlorsulfuron which developed by DuPont in 1979 entered the market, sulfonylureas herbicides have fast development. In 2014, its global market value of sulfonylureas herbicides has reached USD2.31 billion, with a CAGR of 2.1% during 2009-2014, accounting for 8.7% of global herbicides total.

Since the first sulfonylureas herbicide entered the market, there are more than 40 sulfonylureas herbicides have been commoditized. Sulfonylureas herbicides are widely used all over the world. As the biggest pesticide supplier globally, China has been playing an important role in the global sulfonylureas herbicides market. Currently, China can produced more than 10 kinds of sulfonylureas herbicides, including nicosulfuron, tribenuron, bensulfuron, thifensulfuron, pyrazosulfuron, chlorimuron, mesosulfuron, rimsulfuron, metsulfuron, iodosulfuron, flucarbazone, etc. And more than 20 sulfonylureas herbicides have not yet developed in China for patent problems or technology problems. Its estimated that Chinas sulfonylureas herbicides industry will be confronted with presses and opportunities in the near future, for weed resistance to glyphosate has become a big problem.

China Sulfonylureas Herbicides Market Report 2017 Edition is a professional and trusted study on the current state of the Chinese sulfonylureas herbicides industry. With more than 210 tables and figures, the report provides key statistics on the state of the industry and is a valuable source of guidance and direction for companies and individuals who are interested in the market. It helps them fully understand the current Chinese sulfonylureas herbicides market and their future trend.

The report provides reliable data and analysis in the following aspects:

1. Registration of China sulfonylureas herbicides by May 2017, segment by product, formulation type and registrant.
2. Supply situation of China sulfonylureas herbicides in 2012-2016, segment by product, region

and producer, including detailed data about capacity and output, major producers and their production information in 2014-2016.

3. Qualitative analysis for China sulfonylureas herbicides export in the recent three years, including export specifications, destinations and exporters.

4. Consumption situation of China sulfonylureas herbicides, segment by product, brand and crop. The detail data include consumption volume and value.

5. Supply and demand forecast in 2017-2021, segment by product and crop.

6. Detailed introduction of 7 typical sulfonylureas herbicides products. For each sulfonylureas herbicide, the information includes:

- Supply situation (total capacity and output), 2012-2016
- Major technical suppliers and their production, 2014-2016
- Potential projects introduction
- Price trends, 2014-2016
- Qualitative analysis for export situation
- Consumption situation, segment by formulation, brand and crop, 2012-2016
- Supply and demand forecast in 2017-2021

7. Profile of 10 key sulfonylureas herbicides players, including company introduction, major pesticides products in each company, company financial data, sulfonylureas herbicides production, sales data and information.

#### Companies Mentioned

Jiangsu Changqing Agrochemical Co., Ltd.  
Jiangsu Repont Pesticide Factory Co., Ltd.  
Anhui Fengle Agrochemical Co., Ltd.  
Jiangsu Kuaida Agrochemical Co., Ltd.  
Anhui Huaxing Chemical Industry Co., Ltd.  
Jiangsu Fengshan Group Co., Ltd.  
Anhui Jiuyi Agriculture Co., Ltd.  
Jiangsu Institute of Ecomones Co., Ltd.  
Jiangsu Tianrong Group Co., Ltd.
