

# Government Learning Technology Symposium Hosts Free Program-With Technology & Design, Games, Brain Science Sessions

*FGDLA's GLTS Hosts Speakers from FBI, NATO, NASA, DOJ, USAF, and other government agencies deploying distance learning initiatives globally at free symposium.*

WASHINGTON , DC, USA, October 27, 2017 /EINPresswire.com/ -- Elearning! Media Group, publishers of Elearning! and Government Elearning! magazines, announced today that Federal Government Distance Learning Association's (FGDLA) Government Learning Technology Symposium (GLTS) is hosting free conference programs for government employees and contractors. GLTS is slated for November 29-30, 2017 at the Washington Convention Center, co-located with Government Video Expo.

“We are happy to once again host the GLTS as a free conference program for government personnel engaged in distance learning, e-learning, and any technology enabled learning initiative,” reports Jolly Holden, Executive Director, [FGDLA](#).

“

We are happy to once again host the GLTS as a free conference program for government personnel engaged in distance learning, e-learning, and any technology enabled learning initiative”

*Jolly Holden, Executive Director, FGDLA*

GLTS will hold several sessions focused on effective use of technologies for distance learning at the two-day Government Learning Technology Symposium (GLTS). Session. Who Should Attend

GLTS is a free two-day conference for government personnel. Uniquely focused on the needs of Federal Government distance learning professionals, GLTS provides a venue for professionals to make connections, discuss the latest developments, and identify new regulations and trends that

affect our industry. If you are involved in learning, talent development, mission execution, HR services, project management, team training and leadership, you should attend GLTS.

This symposium is geared toward all Government and Military professionals involved in distance learning, such as:

- \* education and training facilitators
- \* instructional design and systems professionals
- \* training systems designers and developers
- \* job performance support professionals
- \* multimedia developers
- \* course-ware developers
- \* directors and managers

The FGDLA is also hosting its annual awards, recognizing Federal Government agencies and organizations for their excellence in distance learning. For a full list of events during the symposium, visit <http://www.fgdla.net>

How to [Register](#):

Registration is open now. Reserve your free GLTS session pass at the Government Video website and select the Government Learning Technology Symposium event at:

[https://www.compusystems.com/servlet/ar?evt\\_uid=874](https://www.compusystems.com/servlet/ar?evt_uid=874)

To secure the proper pass, please note:

- \* Review your options - choose "Free Pass" to attend for free
- \* On the second page of the registration form, when asked, "What is your primary reason for attending Government Video Expo?", choose "FGDLA/GLTS Only or Both FDGLA/GLTS and Exhibit Hall"

#### About the Event

The GLTS is co-located with Government Video Expo (GV Expo), held at the Washington D.C. Convention Center, November 29-30, 2017. The GV EXPO is the East Coast's largest technology event designed for video, broadcast, and AV professionals. The GLTS is produced by the FGDLA and includes two days of consecutive sessions featuring presentations on instructional design, video, gamification, design for distance learning, LMS integration, 508 Accessibility Compliance, and much more.
