

Dried and Preserved Italian Truffles: New Product Launch from Gourmet Living

Enjoy truffles the year round. Save 20% when you purchase Truffle Petals or Summer Truffle Carpaccio.

GREENWICH, CONNECTICUT, UNITED STATES, October 27, 2017

/EINPresswire.com/ -- Gourmet Living is proud to announce the launch of two new products from Italy: [Truffle Petals](#) and [Truffle Carpaccio](#). Tartufi Scorzone or summer truffles are sourced in the foothills of Tuscany and then either dehydrated to prevent them from spoiling or sliced and preserved in sunflower oil.

Until the end of the month, buyers can purchase dried or preserved truffles for 20% off their normal retail price. Concentrated dried truffle petals with their own custom mill retails for \$27.50 and sliced [summer truffle carpaccio](#) preserved in oil for \$24.95. Free shipping is available on all orders.

Truffles are probably one of the most sought after culinary delicacies in the world. Sadly, fresh truffles have a shelf life of not more than two weeks. Unless one happens to be in Italy or France during the truffle season, you may find yourself out of luck.

“

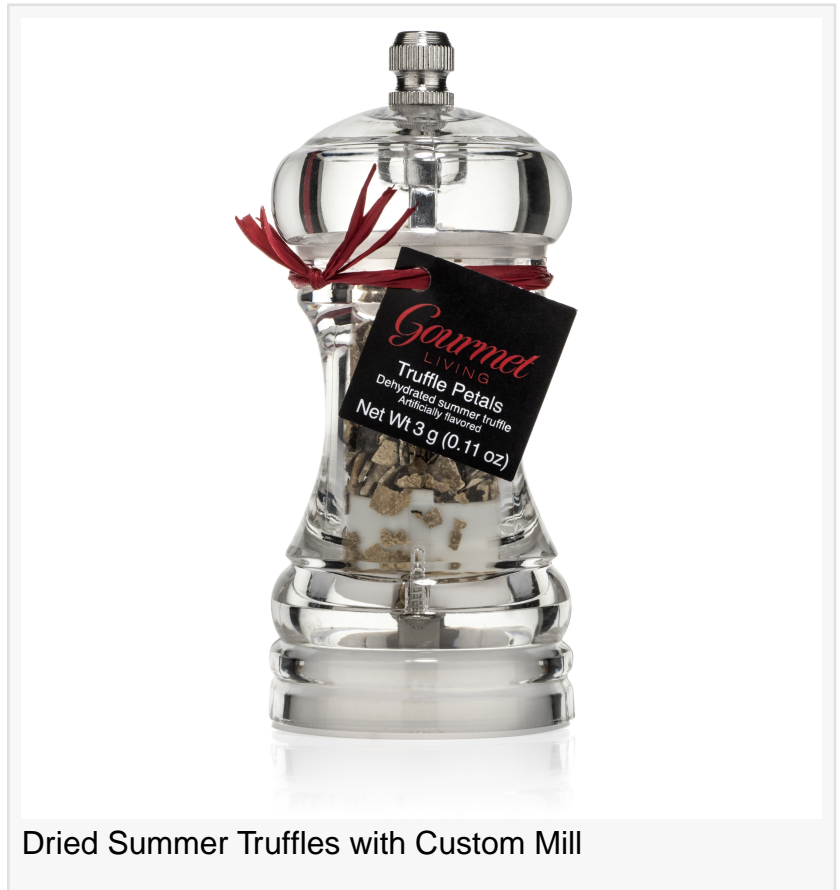

The truffle mill and summer truffle carpaccio make great stocking stuffers. Take advantage of this special introductory promotion and get a head start on your Christmas shopping.”

Sheila May

Working with a small family-owned company in Tuscany, Italy, Gourmet Living has created its own brand of preserved summer truffles to enjoy the distinct flavor of truffles the year round.

Says co-owner Sheila May, "I love entertaining guests with truffle carpaccio which I spread on crackers or a thin slice of baguette. This is a WOW appetizer! I also love the convenience of my truffle mill which I use regularly on pasta, eggs and vegetables to kick up the taste profile."

Whether you plan to use truffles as an appetizer or as the highlight of the meal, Gourmet Living's summer truffle mill or truffle carpaccio will be a welcome treat for fellow gourmands. Given their size, both products make a manageable, yet wonderful, gift for the holidays or as a hostess gift.

,
During this special October promotion, one may purchase one or both of Gourmet Living's preserved truffles for 20% off of their normal retail price. Simply enter TRUFFLE20 at checkout if it is not already been deducted from your purchase. FREE Shipping is available on all orders.
