

iPharma Conference and Expo

With hundreds of participating professionals in pharma, biotech and healthcare, IPharma Conference and Expo aims in Bridging Pharma Academia with the Industry.

PHILADELPHIA, PENNSYLVANIA, USA, October 31, 2017 /EINPresswire.com/ -- International Pharmaceutical Conference and Expo welcomes you as our guest to the City of Philadelphia, USA during March 21-23, 2018. The International Pharmaceutical Conference and Expo aims in "Bridging Pharma Academia with the Industry".

[iPharma](#) Congress includes nearly every permutation of knowledge, innovation, technology and networking; and has an objective of creating an international forum for academicians, practitioners and business professionals to discuss the soundest issues related to Pharma, Biotech and Health Care.

iPharma 2018 offers unparalleled business opportunities and access to new markets in Pharma and Health Care industry. Be on the cutting edge of new and often yet-unreleased information and discover an area that piques your interest. When you leave Philadelphia, we assure you that you will be able to use newly acquired information straight away at your bench.
