

Oil and gas Soviet Union Market Analysis 2017 (By Segment, Key Players and Applications) and Forecasts To 2025

Oil and gas Soviet Union Market Analysis 2017 (By Segment, Key Players and Applications) and Forecasts To 2025

PUNE, INDIA, October 30, 2017 /EINPresswire.com/ -- Summary

In the FSU a total of 29 planned crude oil and natural gas projects are expected to come online by 2025, all located in Russia. They are expected to contribute around 0.8 mmbd to global crude production and 12 bcfd to global gas production in 2025. About US\$113 billion would be spent in bringing these key planned projects online, of which about US\$43.1 billion is expected to be spent during 2017 to 2025. Among companies, Rosneft Oil Company would have the highest capex spending and Gazprom would have highest planned production in the region.
