“We are thrilled to work with Faith and the SixPivot team. Their Cloud Ctrl platform is the leading cloud billing solution, and the only solution that leverages artificial intelligence for predictive cloud service cost management. This is exactly what IT managers and CFO's are seeking, the ability to analyze and accurately predict virtual service costs far into the future.”, says Ken Ferderer, Managing Partner of InnoVacient.

Cloud Ctrl is used by over 450 customers globally and supports virtual services hosted on leading cloud vendors including Microsoft, Amazon, Google, IBM and Alibaba. Additionally, the scalable Cloud Ctrl architecture allows new cloud services to be added to the platform in a matter of days, easily making Cloud Ctrl one of the most extensible and powerful cloud billing solutions available today.

“We are excited to have entered into a partnership with InnoVacient. Their experience in global innovation, commercialization and acquisition strategy meets our long-term objectives to see Cloud Ctrl as the global leader in cloud cost management platforms.”, says Faith Rees, CEO of SixPivot.
