

2025 Global Virtual Assistant Market Share, Trends, Opportunities & Forecast

Key players profiled in the report include IBM Corporation, eGain Communications, Clara Labs, Nuance Communications, Creative Virtual Ltd. and few others.

PUNE, INDIA, November 1, 2017 /EINPresswire.com/ -- [Global Virtual Assistant Industry](#)

Latest Report on Virtual Assistant Market Global Analysis & 2025 Forecast Research Study

The report covers the analysis and forecast of the Virtual assistant market on global as well as regional level. The study provides historic data of 2016 along with the forecast for the period between 2017 and 2025 based on revenue (US\$ Mn).

The study provides a detailed view of the virtual assistant market, by segmenting it based on by service, by technology, by end-use, by application and regional demand. Rising applications of Virtual assistant in areas such as retail, healthcare and BFSI, creates a huge scope of this market. Rising focus of many enterprises and businesses to provide high quality service to customers, leads to increase in adoption of virtual assistance. Moreover, rise in adoption of smartphones across the globe and new development in technologies, makes the virtual assistant market more demanding during the projection period.

Regional segmentation includes the current and forecast demand for North America, Europe, Asia Pacific, Middle East and Africa and Latin America. The segmentation also includes by services, by technology, by end-use and application in all regions. These include different business strategies adopted by the leading players and their recent developments.

The report covers a detailed competitive outlook that includes the market share and company profiles of key players operating in the global market. Key players profiled in the report include IBM Corporation, eGain Communications, Clara Labs, Nuance Communications, Creative Virtual Ltd. and few others.
