

# Hosted in Canada now Offering Shared Hosting & Web Hosting Plans for Businesses

*Secure reliable Canada web hosting available with new Shared Web Hosting Packages at HostedinCanada.com*

CALGARY, ALBERTA, CANADA, November 1, 2017 /EINPresswire.com/ -- It's only natural for a large number of good reasons for a Canadian business to prefer finding web hosting based in their own country. The good news is Hosted in Canada are answering the call for secure and reliable [Canada website hosting](#) that potentially delivers a great return on investment. The company recently announced they have expanded their catalog to include shared hosting plans that meet the need of virtually any size business exploring web hosting and email hosting in Canada. Security, dependability and top customer service stand as high business priorities.

“We are very happy to be able to be a Canada website hosting firm that understands how shared hosting can be a valuable resource that meets many of our client needs,” commented a spokesperson from HostedinCanada.com. “If having your business data stored in Canada is a priority, along with things like unlimited corporate email, being well protected against cyber crimes and hacking, you’re looking in the right place. We’d love the chance to exceed even high expectations.”

“

Our small company has ran into some issues before with two different web hosting companies, one in America. Hosted in Canada was a great move for us and very timely. Since we are doing ....

”  
*Chris S.*

According to the company, their [shared web hosting](#) plans deliver a remarkable 99.9% up time guarantee, unlimited websites, mailing lists and email accounts and many other benefits all backed up by 24 hour a day / 7 day a week Canada-based customer support and built on ultra-high performance, lightning fast servers. Shared web hosting plans begin at a base of just under \$4 a month and are broken up into three categories to address different sized businesses and their general needs. A Hosted In Canada professional is always more than willing to discuss which plan would best fit a potential new client based on their deep

The screenshot shows the HostedinCanada.com website. The header includes the company logo, navigation links (HOME, HOSTING, DOMAINS, OUR SERVICES, RESOURCES & TOOLS, COMPANY, SUPPORT), and contact information (+1-866-730-2040, WebMail, Support, Login). A list of features includes: 99.9% Uptime Guarantee, Screaming Fast Solid State Drive (SSD) Servers for 15x Performance, 24/7/365 Expert Support Based in the CANADA, Unlimited Websites\*, Unlimited Email Accounts and Mailing lists\*, and And Much, much more... To the right of the list is a logo featuring a red maple leaf inside a circle with the word "CANADA" below it. Below the list, the text reads: "WE HAVE PLANS FOR EVERY TYPE OF WEBSITE" and "Canadian Shared Web Hosting". At the bottom of the screenshot, the HostedinCanada logo is displayed with the tagline "People Friendly, User Friendly" and the text "Canadian web hosting leader".

experience.

Early feedback for the Canada website hosting company's new shared hosting plans have been positive across the board.

Chris S., from Toronto, recently said, "Our small company has ran into some issues before with two different web hosting companies, one in America. Turning to Hosted in Canada was a great move for us and very timely too. Since we are doing some email marketing, their [email hosting Canada](#) plan that's part of our shared hosting is exactly what we were looking for. Five stars all the way."
