Total Antivirus Defender will give you:

- 1) a complete security solution for your Android;
- 2) an easy to use software to find malware of all kinds (virus, trojan, backdoor, spyware, and other malware);
- 3) a simple way to obtain security for your apps, documents and files.
- 4) a useful system to block annoying and harassing calls.

To protect your Android, Total Antivirus Defender FREE uses also the innovative "Real Time Agent". It protects your device against infected apps and packages (for example during installation), keeping it safe!!!

Why do you need Total Antivirus Defender?

Because, if your device is infected by a virus:

- 1) you can compromise security of your data, and your privacy;
- 2) you can waste your money, sending SMS from your mobile device that have their cost;
- 3) your activity can be tracked by malicious attackers;
- 4) your accounts and passwords can be stolen;

PRO Version:

Together with the FREE version, also Total Antivirus Defender PRO has been updated to version 2.4.0.

You can upgrade to PRO Version to get more features and advanced security options.

With Total Antivirus Defender PRO Version, you can get the following scanning options:

- 1) Advanced scanning
- 2) Heuristic scanning
- 3) Rootkit searching

NOTE: With PRO Version, advertise will be removed.

What about battery life of your device?

Unlike other similar products, Total Antivirus Defender will grant your security and protection without consuming your battery. You are free to choose when you want to perform scanning and real time agent is optimized and save your battery life.

Total Antivirus Defender is the most complete solution you can get on Android!
It is easy to use, fast and light!

Note also that currently Total Antivirus Defender includes support for several languages!
And many others are coming soon...

What's new in this version 2.4.0?

- improved Real Time Agent (real time virus scan)
- improved Scanning Engine (for apps and files)
- updated Virus Definitions
- optimized code
- improved translations to support many languages (Currently supported: English, Spanish, French, Italian, German, Portuguese, Simplified and Traditional Chinese, Indonesian, Russian, Japanese, Arabic, Hindi, Punjabi, Romanian, and so on...)
- included a new system to block annoying and harassing calls

The screenshot shows the 'Total Virus Defender FREE' app interface. At the top, it says 'Total Virus Defender FREE'. Below that, a blue box displays the scan results: 'Scanning files.....OK!', 'Scanning modes: Normal', 'Scanned: 1852 - Infected: 0 - Skipped: 4', and 'Elapsed time: 19.77 seconds'. In the center, there is a green Android robot holding a red shield. Below the robot, it says 'NO VIRUSES FOUND!'. At the bottom, there are two green buttons: 'Scan apps' and 'Scan files'.
