## [Golf Apparel Market 2017](#)

Golf is a popular sport and is highly popular among business individuals and amateur players. The game as apart from being an exercise also facilitates socializing. The game has relatively little physical requirement in comparison to other form of exercise and sports. Golf has not featured in the Olympics since 1904; however, with rapid expansion and globalization of the sport, the International Olympic Committee has recommended to add it to the Summer Olympics that is to be held in the year 2016.

Golf apparel as the name suggests comprises clothing, footwear, and other accessories, which are worn while playing golf to provide the wearer comfort and style. T-shirts, shorts, and tracksuits are typical golf-specific apparel used while playing golf. Golf apparel is designed to be lightweight and is made using advanced fabrics, which remove the wearer's perspiration away from the body to the outer surface of the apparel so that it can evaporate. It is also available in various fashionable designs. The crossover between fashion and exercise has propelled the demand for golf apparel among women.

The analysts forecast the global golf apparel market to grow at a CAGR of 4.33% in revenue over the period 2014-2019.
