

LifeStart Expands It's Newest Flex Platform At The 640 N LaSalle Building IN River North

LifeStart Wellness Network's Newest Flex Management Site

CHICAGO, IL, UNITED STATES, November 6, 2017 /EINPresswire.com/ -- CHICAGO (OCTOBER 4, 2017) – [LifeStart](#), the commercial real estate industry's leading provider of corporate fitness / wellness solutions announced today the Grand Opening of a new state-of-the-art fitness center located in the newest, art-inspired mixed-use property developed by MAC Management and Magellan Development Group.

The 640 Building is located in Chicago's River North neighborhood, and is home to many well-known companies both large and small. The [Gallery](#) on Wells, located immediately to the west on the former Geno's East Pizzeria site, is a newly-constructed 39-story high-rise housing 442 luxury rental residences. Together, the two buildings share the state of the art fitness center and other best-in-class amenities including a 26,000 square foot outdoor deck with breathtaking city views, a 25 yard lap pool, outdoor hot tub, fire pits, grills as well as direct access to a number of restaurants including Wildfire, Taco Joint and the much anticipated Pacific Standard Time (from One Off Hospitality and Underscore Hospitality). The 640 Building is ideally situated on LaSalle Street at the Ontario feeder ramp, with indoor valet parking as well as bicycle storage and is owned and professionally managed by MAC Management.

The fitness center at 640 N Lakeshore includes state of the art Cybex cardio equipment, which provides a fully connected cardio experience, including

integrated TVs and computers, Peloton Bikes a full assortment of strength equipment, a private group exercise area, and a dedicated free weight area. The center also boasts well-appointed locker rooms and amenities including a sauna, and provides its tenants with a range of services including personal training, and a diverse group exercise curriculum.

ABOUT MAGELLAN DEVELOPMENT GROUP

Magellan Development Group is a family owned company that was founded in 1996. To date, Magellan is the premier developer of mixed-use properties in Chicago and extending its footprint to other major U.S. cities, including Minneapolis, Miami, Nashville, and Somerville, MA.

From conception to completion, Magellan looks after all aspects of the development process and has unique experience in interrelated fields of real estate design, construction management, development, development consultation, architecture, leasing, sales and marketing.

Magellan is responsible for the Lakeshore East masterplan and development, which is regarded as one of the most vibrant communities in the city of Chicago. The Lakeshore East community is an example of Magellan's commitment to environmentally-sensitive urban communities, innovative design and high-quality construction. Since its founding, Magellan Development has completed over 25 large-scale, residential and mixed-use projects.
