

CONVERGED User Group Welcomes Nigel Moulton to 2018 Board of Directors

The Converged User Group is excited to welcome Nigel Moulton to the 2018 board of directors as well as announce their slate of board of directors for 2018.

NASHVILLE, TN, 37216, November 6, 2017 /EINPresswire.com/ -- The Converged User Group is excited to welcome Nigel Moulton to the 2018 board of directors as well as announce their slate of board of directors for 2018.

Moulton will be replacing long-time board member Jaime Gomezjuardo, who is stepping aside to pursue other professional opportunities. "I am grateful to Jaime for his years of service, direction, and leadership as part of our board of directors", states Mike Somerville, board president. "We wish him all the best and look forward to him continuing to be an active member of the Converged community."

Moulton is a London-based Chief Technology Officer in the EMEA region for the Virtual Computing Environment Company (VCE). Moulton joins the 4-member board as a director for 2018. "I'm thrilled and honored to be part of the Converged User Group board of directors at such a pivotal time in our history. I look forward to helping guide our user group to bigger and brighter places in the future," states Moulton.

"We look forward to Nigel's contribution to the board in 2018," states Somerville. "His experience as a CTO and his presence in the EMEA market make for a bright outlook and an opportunity to expand our membership into Europe and beyond."

The 2018 slate of board members includes:

Mike Somerville, President
Walter Bazuik, Vice President
David Giesecke, Secretary/Treasurer
Victor Bohnert, Executive Director
Nigel Moulton, Director
