

National Franchise Image One Celebrates Anniversaries in Colorado, Florida

Expanding Commercial Cleaning Brand Marks Growth in Denver and Fort Myers

ROLLING MEADOWS, IL, UNITED STATES, November 6, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- One of the fastest growing commercial cleaning franchise brands in the United States, Image One Facility Solutions, continues to make its mark in new regions across the country. This fall, it celebrates the anniversary of two of its newest franchise locations in Denver and Fort Myers, Florida.

The franchise territories in Florida and Colorado are part of the franchise's increasingly popular franchise affiliate program that provides additional opportunities for owners to develop their business.

“Just a few years ago we launched a franchise affiliate program to expand across the nation and offer franchisees outside of our Chicago headquarters the opportunity to build large territories and create an expansive commercial cleaning business,” said Image One President and Co-Founder Tim Conn. “The program has been exciting to develop and has already helped us launch locations in multiple major markets across America. Franchise affiliates are provided the tools they need to build a budding franchise with nearly unlimited potential.”

In an Image One franchise affiliate arrangement, individual owners market goods and services for their Image One franchise as a way to drive additional revenue on their own. The approach empowers entrepreneurs who are involved in

their community to capitalize on existing relationships to develop a variety of new accounts, ranging from offices and movie theaters to auto dealers and medical facilities with a whole crew of dedicated employees.

Image One provides the training, tools and support needed for franchise affiliates to build their business, including teaching franchisees the latest cleaning techniques and empowering them with insights on best-in-class equipment and technology. Training is delivered both in the classroom and onsite at existing client locations to ensure that franchisees continue to grow their own businesses in specialized markets. Ongoing training is held both at the corporate office and in the franchisee's local

market.

“The first year of branching out on my own as a franchise affiliate has been really rewarding on a number of levels,” said Denver affiliate Steve Conn, brother of co-founder Tim and a long-time employee of Image One prior to signing as a franchise affiliate. “In Denver, I’ve hit the ground running, bringing on accounts and spreading Image One’s proven cleaning system and services. I’m excited to bring the momentum of the past year into 2018 and beyond.”

The Fort Myers franchise owner is also a Conn relative, Tim’s 20-year-old son Nikko Conn. He had owned and operated a franchise in Chicagoland throughout high school and decided to pursue the path further after graduation with the purchase of franchise’s first Florida franchise location — a second franchise owner also operates in Orlando.

“Becoming my own boss and starting the franchise in Fort Myers was my best path forward — I’m building a business, managing a team and generating income for myself instead of going directly to college and taking on student loan debt,” Nikko said. “This first year in Fort Myers has exceeded my expectations of what I thought would be possible.”

With nearly 100 total franchise owners operating in and around Chicago and across other markets nationwide — including Cincinnati, Denver, Detroit, Fort Myers, Nashville and Orlando — there are still plenty of opportunities for growth in other major markets around the nation.
