

MEVOFIT: FIRST FREE INTEGRATED APP FOR ALL AROUND FITNESS WITH REAL REWARDS

Full nutrition and weight-loss program integrated with Google Fit and FitBit available for Android and iOS users

DE, WILMINGTON, US, November 7, 2017 /EINPresswire.com/ -- Mevolife is a fitness brand that utilizes technology to deliver a host of modern consumer and business products like fitness platforms, websites and apps. The company Mevolife Inc. presents [MevoFit](#) app, the first and only all in one fitness trainer coach that makes exercising easy and fun with rewards to buy real goods. MevoFit is all-inclusive mobile application that features information about food and nutrition, exercise, levels of physical activity and access to health-related communities. It delivers more than the top 10 fitness routine apps in the market combined together.

The app is available for free at [Apple App Store](#) and [Google Play Store](#), and is fully integrated with MevoFit Drive, Google Fit and FitBit, a health-tracking platform created to blend data from multiple apps and devices. The integration allows MevoFit users to sync nutrition and fitness data and keep better track of their fitness goals. "As fitness is becoming more and more integrated with smartphones and wearable's these days, it isn't uncommon to see plenty of fitness apps available for the devices. MevoFit's goal is to make having a healthy lifestyle very easy to have. By combining more apps into one and compelling full integration with Google Fit and FitBit, we are changing and creating new way the fitness is perceived. MevoFit is the only app that brings fitness with benefits" – says the founder and CEO of Mevolife, Khyati Mahajan.

MevoFit offers unique, diverse and different features at one stop like single platform for nutrition information with nutritional value of more than 500K food items, exclusive exercise tracker with 500+ cardio and strength exercises and advanced GPS tracker. Best Workouts Plan with MevoFit are more fun since it adds social element to the app through a connected social community to cheer and support users on their fitness journey.

MevoFit is the only app which makes members earn and not pay. Credits are earned for each healthy activity in the app which can be used to buy healthy fitness merchandise including fitness bands, sports sipper, waterproof gym bags and fashionable fitness apparels. For those who want to add an edge to their health and fitness routine, it may be time to get the Mevo advantage by downloading the MEVOFIT app in their smart phones.
