Global [Payroll Outsourcing Services Market](#)

Description

WiseGuyReports.Com adds" Global Payroll Outsourcing Services Market 2017-2021 "Research To Its Database.

Payroll outsourcing is the fastest-growing segment of the global human resource outsourcing (HRO) market. Organizations are rapidly adopting payroll services to achieve cost reduction. They either outsource a single process or the entire set of services to enhance the existing function. Most of the payroll outsourcing functions are related to finance and accounting (F&A), human capital management (HCM), and shared service centers. Organizations maintaining an in-house team for tasks such as payroll, time and attendance, workforce administration, and benefits administration spend 20% more than organizations that outsource the same functions.

Covered in this report

The report covers the present scenario and the growth prospects of the global payroll outsourcing services market for 2017-2021. To calculate the market size, the report considers the revenue generated from payroll services outsourced to third-party service providers.
