

# Fair Angle becomes Google AdWord certified

*The certification shows the organization has an expert understanding of google advertising and ensures clients get the best ROI on their advertising spend*

CAPE TOWN, SOUTH AFRICA, November 7, 2017 /EINPresswire.com/ -- Fair Angle, an organization offering [online advertising for Nonprofits](#), is proud to announce that their founder, David Dietrich, is now Google AdWords certified.

A Google AdWords certification is an accreditation given to individuals who have shown expertise in the basic and broader perspective of AdWords. This certification allows an individual to show that they are recognized as an expert by Google.

Fair Angle is a leading online marketing company that provides [digital marketing services for Nonprofit](#) companies all over the world. Fair Angle understands Nonprofits have limited budgets and works towards helping them get the highest ROI on their advertising spend.

The Fair Angle team consists of experts in each field which has helped boost the success of the company. It is a small company that reacts to change swiftly and always stays on top of digital trends. Being small also enables them to speak directly to their customers and focus on their needs and requirements.

David Dietrich's AdWords certification shows that he, and his company, are committed to giving their clients the best in digital advertising. Fair Angle's clients are nonprofit organizations who need to ensure that they get maximum value out of their advertising budget. This certification shows that David Dietrich is an expert in digital advertising and can firmly say that he will ensure that his clients' money is used to maximize their ROI.

You can contact David at Fair Angle today to discuss all your digital marketing requirements and to ensure that your online marketing is getting the ROI that you deserve. Alternatively, follow the [Fair Angle Blog](#) for free digital marketing tips and advice.
