

TraceGains Welcomes Eric Hammer to Rapidly Growing Team

DENVER, COLORADO, UNITED STATES, November 8, 2017 /EINPresswire.com/ -- [TraceGains](#), the leading compliance software solution, revolutionizing information exchange across the supply chain for Food, Beverage, and CPG companies has expanded once again with the addition of Eric Hammer as Implementation Specialist.

Eric Hammer has a decade of experience specializing in technical configuration, process control, and technical documentation. While working with Frontier Airlines, Hammer implemented systems to enable the addition of supplemental charges to an airline ticket and conducted systems training for Customer Service Agents.

“With our continued growth, we aim to shorten time to customer value. Customers joining TraceGains will benefit from Eric’s experience leading complex projects in a large enterprise,” commented Gary Walters, Vice President, Customer Success.

Hammer added his excitement to joining to the team, “I am thrilled to be a part of the Customer Success Team at TraceGains. This opportunity offers an exciting new challenge and will enable me to become a key contributor to the TraceGains team.”

Hammer holds a Bachelor of Arts degree in Economics from Colorado State University.
