[Education](#) is one of the primary objectives of The WCOMC, A Modern UK [Livery Company](#) and has been set up to promote high standards in the profession through supporting Education. The establishment of the Centre for Management Consulting Excellence Has Also Been Set Up & Developed by

the Worshipful Company to, Follow Tradition and Deliver Progress With A Modern Approach To Reflect The Industry Needs In Today's Society.

The Tom Peters Event is Also Supported by the New & First Ever Female Dean Professor Marianne Lewis of The Cass Business School, City University of London.

Management Consulting Today Is A Major UK Business Provider and Employs around 100 Thousand People that have Turned Over at Least £9bn in the last Year. The benefits to the UK Economy is several times this amount that, management consultants bring to their clients. Such activity consequently and undoubtedly has a major impact on UK Business Productivity.

The Rationale For Establishing The Worshipful Company Centre for Management Consulting Excellence is That The Performance of Management Consultants Depends on Their Skill in Mediating The Best Thinking Into Application for their clients. Consultants Today Have Access To A Very Large

Amount of Ideas About Management But, Without Considerable Effort, Have A Real Difficulty In Identifying The Most Important New Ideas and Also Finding out about them! Likewise, Management Consultants On Their Own, Have Less Insight Or Input into the direction of academic research.

Consequently, this event is an Opportunity To Meet & Enjoy A Special Event With The WCOMC and New Master Mr David Johnson together with Global Management Consultant Expert Mr Tom Peters is, a Wonderful Opportunity For Any Interested Management Consultants or Students To Enjoy.
