HOLLYWOOD, CALIFORNIA, UNITED STATES, November 13, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- The stars of the hit YouTube channel "Hey Qween" are bringing their brand of glitter soaked comedy to a new pop culture podcast! Celebrating 34 million views, 115,000 subscribers and a WOWIE award for their eponymous talk show, the duo reads the tabloids so you don't have to!

"[Hot T](#)" scours the magazine racks for the hottest and most outrageous glossies of the week and breaks them down to give you the Total T! Every week our big gay duo rounds out the show by giving the tabloids a grade.

“

"I'm thrilled to bring the Hey Qween brand into the podcasting world I know so well. Fans have been asking for it and now were ready. When Lady Red and I get together it's a non stop party."

Jonny McGovern

Taking its name from the popular Hey Qween TV program "Hot T", the completely original podcast will also cover reality tv, music news and the latest from the world of drag, of course!
