“

PLEASE KINDLY NOTIFY Ms Joyce IROKA the Project Director, what you have given to the Foundation as to have you listed as donators for transparency note, we need to stand against fraud and give thanks”

Ms Joyce IROKA

We are out to challenge;
Governance and its principles
Concept of employment
Method of working
Capacity of production
Quality of production

Selling price

Commercial relationship

The agricultural training and proper decimation of Research solution to farming problem

Retransforming fund into projects and not sleeping money in the banks

Project base on AGRIC PROJECT (Mix-Farming + Laboratories + Storage and Structures) on 50H of

Land in Abeokuta North Local Government, Ogun State, Nigeria
300 Staff of 35 posts

Archbishop Adewale Alfred MARTINS send forth to the people outside Catholic to join to benefit, he said 'will spend his free time in the farmland to help out'.

The Government of Ogun State allocated the land and the foundation surveyed it by the Government of Ogun State the department of survey, I hired 20 men to cut the bush, as to prepare for plantation manually we need fund to carry on.

You must know that we do not have tractor and it very experience to hire here in Ogun and we need food because the daily garri is over 281% expensive as what it was sold 2014.

The foundation launched its project on Thursday 6th April 2017 in Abuja FCT but the Authority Newspaper whom we used to publish a Trustee expression sold it to Emmanuel UDOH the Awka IBOM State governor who fraud it online, most of you saw heard and received from me on this crime act, which led me to be appealing you fund.

Ambassador of Malaysia in Abuja taught the foundation had make if project fund and arranged to kidnapped me on 8th August 2017 he invited to meet him a Kuja in Abuja in mountain and fire church, where he arrived with trailer and sent an ibo young man to you but I sent him out with disgrace, a shock in what most international mission heads live in Nigeria crime, while putting Nigerians into conflicts, miserable... if we would have harvest our first corps which I will call on you to come and taste.

Mr Samson AMOSU

I worked in helping international in France:

- Who wanted to put an end to their lives, while they were young parents
- To find their way whereas they were themselves in situation of missed school course.
- To find work, etc.

Meanwhile Africa, my very country NIGERIA in particular has not benefit from the knowledge they imparted in duties and obligation.

My Mission and Experience

Access in counseling and job research for young people, with experience in the professional integration of young people constantly before the government...on the importance of finding work for young people after studies and SOS encouraging the youths in economic development in no small measure. Nigerians will not be left

Lot of regard
