

OnBoat is making waves overseas

OnBoat.com, the Los Angeles based boat sharing online platform, is expanding its service coverage to overseas destinations, with Australia as the first stop.

MARINA DEL REY, CALIFORNIA, USA, November 15, 2017 /EINPresswire.com/ -- [Onboat Inc., the Los Angeles based boat sharing online platform](#), is expanding its service coverage to overseas destinations, with Australia as first stop. The company rapidly became a leading US yacht charter booking platform, experiencing exponential growth in 2 years to serve thousands of customers weekly.

Happy OnBoat Customers

"Our secret of success is an extremely simple booking process, straightforward costs, and absolutely no hidden fees. Our goal is to make yacht charter booking easier than a hotel room booking". Marc Andelman, co-founder of the company, stated "We welcome Australia's finest boats to come to join our boating community. We aim to make boat ownership more affordable by offering private boats for hire. In many case, boat sharing generates significant income. Some owners have earned more money renting their boat than their full-time job.
