Host Linda Cooper "Travel Time with Linda"

The upbeat series is inspired by the three essential elements of high-class travel: Glamour, Luxury, and Adventure, with episodes focusing on a different tropical locale every week. The insightful profiles are designed to showcase the local flavor, essence, and luxury aspects of each location, as well as action-packed adventure opportunities that are sure to get the heart pumping. Season highlights include zip-lining and whitewater rafting in Costa Rica; a candid conversation with reggae superstar

Bankie Banx in Anguilla; a trip to the Caicos Conch Farm in Turks & Caicos; watersports and retail therapy in Bermuda; rum tasting and surf lessons in Barbados; swimming with sharks and exploring Mayan Ruins in Belize; bobsledding and a spooky look at the legend of the White Witch of Rose Hall in Jamaica; kayaking and volcano climbing in St. Kitts; and more.

"I am so grateful for the opportunity to share my adventures with AXS TV's audience," said series host and executive producer Linda Cooper. "On 'Travel Time with Linda,' viewers will be able to experience some truly incredible sights and sounds from all across the world. I couldn't be more thrilled that my show has found the perfect TV home on Saturday mornings."

"Linda Cooper has a true passion for travel, and her knowledge of what to see and do in these luxurious locations will resonate with our viewers as she guides them on weekly explorations and adventures in paradise," said Lucia McCalmont, VP of Program Acquisitions, AXS TV. In light of the recent devastation caused by Hurricane Maria, which has left the island of Dominica deeply in need, Cooper has partnered with the humanitarian non-profit agency IsraAID to air a 30-second public service announcement during the show. Cooper explains, "2017 marked an unprecedented Hurricane Season, and while many of the beautiful locales I featured on the show were spared, Dominica experienced massive devastation. We've partnered with IsraAID, a disaster relief program that had boots on the ground helping the hurricane victims of Dominica within 24 hours. This PSA was made to help the many people in the regions affected by the hurricane disaster, and also includes Puerto Rico and Houston here in the US."
