Trials Test Your Faith in the book "Forsaken"

DEXTER, MO, USA, November 16, 2017 /EINPresswire.com/ -- Ever wonder why bad things happen, sometimes spiraling out of control? In [Forsaken](#), Daniel is wondering if his and Ellen's marriage will happen as planned because Ellen's friends are presently bombarded with heart breaking problems and Ellen is always there for her friends even if the date has been set.

With Anne's son struck down in a hit and run incident and now laying in coma, Bitty's Chief of Police taking a bullet near the heart in a drug bust that left one dead, it seems everyone is struggling to survive.

Then there's Marigold suffering the complications of pregnancy that leaves her relationship with her birth mother hanging. Who can she count on? Her husband's away and his parents want nothing to do with her except to replace her.

While Ellen's faith is unwavering, her friends question their faith.

Does faith really sustain one through trial?
