

Global Agribusiness Market is expected to grow at a CAGR of 3.4% from 2015 to 2022

Global Agribusiness Market Analysis, Latest Trends, and Forecasts up to 2022

RAIPUR, INDIA, November 17, 2017 /EINPresswire.com/ -- Report Sellers has added a new market research "[Agribusiness - Global Market Outlook \(2016-2022\)](#)" to its offerings. The report is an in-depth market study providing accurate market insights including the latest trends, forecast, competitive insights, etc.

According to the report, the Global Agribusiness Market is expected to grow at a CAGR of 3.4% from 2015 to 2022.

The grains segment dominated the market in 2015 and is anticipated to continue its market dominance until the end of 2020. Wheat and rice segment constitute the significant share as they are the staple food for millions of people. Growing demand for rice is more in countries and regions with low income, where carbohydrates at economical rates are still the primary need of consumers to meet energy requirements. The consumption of meat and dairy products is increasing owing to factors such as high disposable income, increasing urbanization, and changing consumption patterns.
