RAIPUR, INDIA, November 17, 2017 /EINPresswire.com/ -- Report Sellers has added a new market research "[Aquaculture and Fisheries - Global Market Outlook \(2016-2022\)](#)" to its offerings. The report is an in-depth market study providing accurate market insights including the latest trends, forecast, competitive insights, etc.

According to the report, The Global Aquaculture and Fisheries market is accounted for \$162.68 billion in 2015 and is expected to reach \$235.64 billion by 2022 growing at a CAGR of 5.5%.

Among the species segment, carps accounted for the largest market share and demand for carps is expected to rise, as it is one of the prime cultivated fish due to its high compatibility with non-ideal environmental conditions and its extensive use in fish farming. Moreover, Asia Pacific is expected to be the dominant market with china being the largest market for aquaculture, accounting for more than half of global market share. The market is expected to show rapid growth due to favorable climatic conditions for aqua farming, availability of resources and labor.
