

Blockchain and AI Highlighted at Inside Fintech Conference & Expo 2017 in Seoul, South Korea

Inside Fintech Conference & Expo, Asia's premier professional conference host up to 2,000+ industry leaders from Google, Visa, Microsoft, HSBC, IBM, and other

SEOUL, KOREA, November 17, 2017 /EINPresswire.com/ -- [Inside Fintech Conference & Expo](#), Asia's premier professional conference for blockchain and Fintech innovation organised by KINTEX and Rising Media, has announced that the event will host up to 2,000+ industry leaders from Google, Visa, Microsoft, HSBC, IBM, and other top-tier firms to discuss and explore applications of Blockchain technology as well as various Fintech innovations around the globe.

Exploring Blockchain's Potential

Inside Fintech aims to discover just how far the Blockchain can go in today's developed financial sector. In addition to Blockchain technology, Inside FinTech will discuss disruption in Payments, AI, Cloud Computing, Banking, eCommerce, InsurTech, Authentication, and Wealth management.

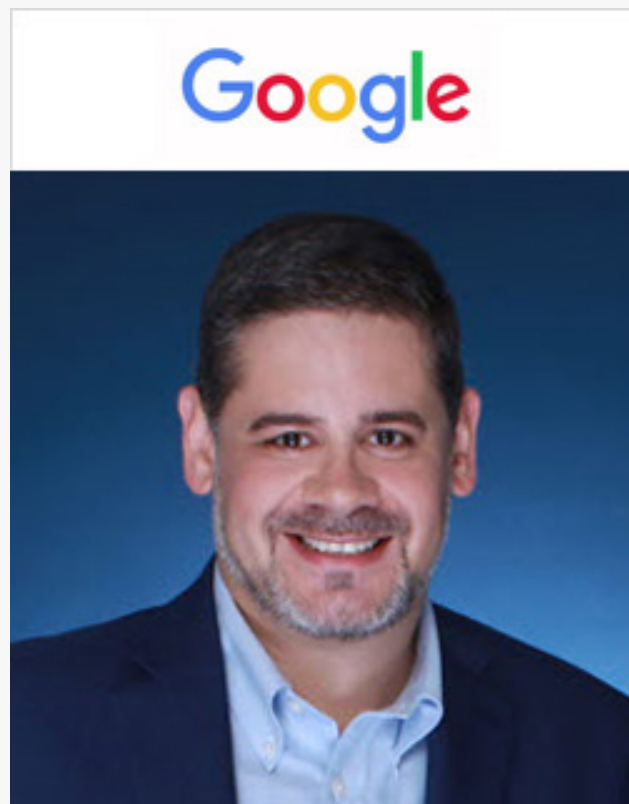

While Mauro Sauco from Google will be speaking on Cloud Computing, Dongbum Lee from Microsoft, Jae-Woo Ha from R3, SeYoul Park from IBM, Talal Tabbaa from Jibrel Network, Ella Qiang from Stellar and Alejandro De la Torre from BTC.com (acquired by Bitmain,), will all be there to discuss how to make Blockchain real for enterprises.

A Major Platform for Blockchain to Prosper

Inside Fintech represents every sector of the financial market. The event, which is to be held at

Inside FinTech panel discussion

Mauro Sauco, Google

KINTEX (Korea International Exhibition Center) from November 30 - December 1, 2017, boasts over 2,200 attendees with 200 CEOs & Presidents, from 600 companies and 32 countries. Both domestic and international delegates are joining the conference to hear the likes of Citibank's Terry Oh discuss the power of AI in the financial sphere, and to hear more about the power of Blockchain technology.

Sponsors and Exhibitors to be highlighted this year

In addition to the conference, Inside Fintech features a robust exhibition hall with top-tier sponsors and exhibitors. HDAC, the hybrid IoT contract platform that supports both public and private environments based on blockchain technology; Certon with the next level document distribution platform based on X-Blockchain and Smart Pass-On technologies called Aston; Carfix, the transaction platform for auto sale, repair & maintenance; Coinnest, Korea's top cryptocurrency exchange; Oracle, a global provider of enterprise cloud computing are all confirmed as premium sponsors at Inside FinTech 2017.

Upcoming Price Break and Sponsorship Opportunities

Inside Fintech Conference & Expo is offering a pre-registration 20% discount until November 29. To register, visit www.insidefintechconference.com/seoul.
