Newark Then + Now is a reclamation of my grandfathers journey from Italy to Newark in 1899. Newark has artistic roots from Armenia, Denmark, Germany, Ireland, France and beyond. Immigration is a ongoing event. The past is indeed prologue to our present and future.

Welcome to my Newark, Nevarca and the new old sod in New Jersey. Daniel P Quinn also wrote:"Exits + Entrances, 25 years off-Broadway, Opera and Beyond"; Short Plays to Long Remember (TNT) and "organized labor": Organized Labor, Poems with Grit and Passion, (Author House)

As a member of three labor unions, and I really enjoyed Daniel P Quinn's collection of poems, Organized Labor. Mr. Quinn's use of language and imagery paints a picture of an era that hardly exists anymore. His poems also touch on topics that we all face today in an ever-changing global society. If you like poems that are alive with truth and deep emotional observation, you will enjoy the poems of this man who sees the world in a highly unique fashion. Web review by Davidson Garrett, Author. Poet.
