

BASSAKA AIR Appoints Senior Director - Quality Assurance, Safety, & Security

PHNOM PENH, CAMBODIA, November 20, 2017 /EINPresswire.com/ -- Today, [BASSAKA AIR](#) announces the appointment of Mr. Harold Stoddard as Senior Director – Quality Assurance, Safety, and Security.

Harold is an aviation enthusiast holding both FAA Aircraft Engineer and Commercial Pilot Licenses. He brings broad experience in all aspects of aviation operations, maintenance, quality, and safety to Bassaka Air. This coupled with extensive experience in aircraft maintenance, strategy/procedure development, auditing, and regulatory matters underscores the Bassaka Air commitment to exceed international safety standards and industry best practices.

Harold's project management experience includes aircraft acquisition and delivery as well as modification and maintenance program management. He has also developed business strategies, policy and procedures for AOC, AMO, and CAMO initiatives across North America, the Middle East, and Southeast Asia.

Mr. Harold Stoddard

“We are delighted to welcome Mr. Stoddard to the Bassaka Air family as he brings years of experience and knowledge which will certainly lead to improved capacity for our growing team” says Mark Thibault, Chief Executive Officer, Bassaka Air.

NOTE TO EDITORS

Established in 2014, Bassaka Air Limited is a passenger airline with its main hub located in Phnom Penh, Cambodia. Bassaka Air operates an airline business that transports passengers and goods via Phnom Penh to destinations around Asia.
