Nigerians: your fund or help will not pull me out of my religion or by spiritual attack, our Foundation is not political party but against inhuman policy, I must freely speak out my view.”

Ms Joyce IROKA

This is important to know this project has encounter lot difficulties, I was told difficulties but Christ is my driver.

The difficulties started April 2013 by KSJI Mr Hillary Anthony OKHUELEGBE who asked me to change my Godfather name to his oga retired cardinal Anthony Okogie, I remembered heard OKOGIE is not a good catholic head , I consider him to be the difficult I told him ‘NEVER will I change my Godfather to anyone’. 2nd Hillary said to me “tell your Godfather (Archbishop MARTINS) to allow me to meet three ministers to

help for fuel money bringing you to Abeokuta from Lagos” Sir NJOKU KSJI was there and he asked why three? I replied Hillary by given an envelope of N20.000.00 cash and N60.000.00 cheque for fuel. Mr OKHUELEGBE said no thank you I was joking.

3rd immediately my demand for land was accepted Hillary said to me to give him plots of Land to build beside our foundation, I told him if I do this I am a thief because it was not in my letter and I did not said to them when I was interviewed, but you need I will apply for you but for this no.

Mr OKHUELEGBE and OKOGIE raised spiritual, administrative, moral attracts on me, and to my Godfather Archbishop MARTINS to reject me as to have the foundation fail. Trinity and Blessed Mother Mary defended us, the land was given to me 2016 and I was told that certain persons keep calling the Agric section in Abeokuta to give the land to them for they are my associate, simple Mr OKHULELGBE shameless KSJI.

Nigerian governmental staff demand bribe, lot I met calls me Amnesty and said I should come with Nigerians, I replied take the time you like, my sincerity will judge you for I will realise this project. These are Christians and Muslims, calls pastor, Rev, Imam, Sister, Brother, Chief, Alhaji, Alhaja , Mr, Mrs.

Many who helped acts dubiously, some take it as their family affair where their entire family member will become Director because they helped if I refuse they delay, these are difficulties, yet I act just. Nigerians should be taught how to make sincere ends

Nigeria banks exploit farmers. CBN loan farmers on 7%, 2% to farmers' banker, bank loan 40%, in d North no interest. Banks in the South increases poverty, inhuman, agriculture is fund by WB to provide food. I would have asked loan, these are difficulty. The CBN conditions to the farmers are not just and right.

AFAN (All farmers association in South West are not responding to the Farmers)

The commercial farmers in Abuja labeled rich against the poor farmer s while gain Nigeria budget for farmers.

I will set up conference on how to avoid these difficulties

Authority Newspaper and Mr Emmanuel UDOH fraud

Ambassador of Malaysia was arrested by heaven direction, this project belong to America VATICAN and its owner His Grace Most Rev Dr. Adewale Alfred MARTINS, this kidnap would has demoralized them, United Nation I ask for justice Malaysian Government and people must not left unpunished

Nigeria President and officers should meet up UN standard most of them are corrupt this affects me because other nations step on us.

Nigeria President Muhammadu BUHARI, Prof Yomi OSINANJO, Alhaji Aliko DANGOTE former Presidents, Imam of Abuja Mosque Emir of Kano, Sultan of SOKOTO, Nigerians of good will our project need immediate fund, you have heard.
