*Lindemann Chimney Services can take on different aspects of chimney maintenance throughout the Glenview area.*

CHICAGO, ILLINOIS , USA, November 20, 2017 /EINPresswire.com/ -- Located in the Lake Bluff, Illinois, [Lindemann Chimney Services](#) has been providing cities in the Chicago area, including Glenview, with certified [chimney maintenance](#) since 1969. Lindemann is dedicated to providing high quality service to individuals who are in need of chimney repair, cleaning, inspection, and installations. According to their website, Lindemann is a “Nationally recognized...leader in the chimney, fireplace, and appliance venting industry.”

The majority of their customer base comes from individuals who have been serviced in the past and referrals. Lindemann considers this to be an important aspect of their business, so they dedicate many of their resources to the customer experience and customer service.

Lindemann understands the importance of certification, so they only hire chimney technicians and professionals who are certified to work in the industry. The business as a whole holds a certification from the Chimney Safety Institute of America (CSIA) and is a member of the National Chimney Sweep Guild (NCSG). Identification from the CSIA and NCSG means that Lindemann is recognized as a legitimate and knowledgeable business by both peers and the state.

Lindemann services in the Chicagoland Area and Milwaukee, Wisconsin Area. An online messaging system and phone number are provided on the website, so customers can easily identify if they are within the service area.

Technicians at Lindemann are able to perform a variety of different chimney maintenance tasks. Technicians can clean your chimney, fulfill different degrees of chimney inspection, depending on your situation, and make any major repairs or changes to your chimney and fireplace. Lindemann provides standard services like installing chimney liners and repairing masonry, but technicians are also able to complete less common tasks. Uncommon services include gas fireplace installations, fireplace restoration, for older homes, outdoor kitchen and [fireplace maintenance](#), and wood stove maintenance.

Because of these services, Lindemann is one of the top chimney services in Illinois and Wisconsin. For homeowners are interested in taking on large home renovation projects or are simply worried about costs, Lindemann offers a variety of financing options that fit the needs of their customers' unique situations.

A testimonial on the Lindemann website reads, “My experience with Lindemann was excellent. They came out and did what no one else could. Mine was a smoke issue. After having a fire, the entire house would smell of smoke...After getting estimates and opinions from other fireplace companies, one was as high as \$2500 for a draw fan. A friend recommended Lindemann. Setting up the appointment was easy. The technicians showed up on time, was courteous and polite, and did what he needed to do...it was fixed for under \$200.”

In order to maintain customer satisfaction and a positive relationship with the customer, Lindemann offers low prices. Because of these aspects of service, Lindemann is praised for their professionalism and overall effectiveness.
