## [Cookies Market 2017](#)

Cookies are flat-baked treats. In many countries, crisp cookies are often referred to as biscuits. The report considers freshly baked cookies and cookies that are not freshly baked. Freshly baked cookies are mostly sold through bakeries and online retailing. Cookies that are not freshly baked are sold through distribution channels like supermarkets and hypermarkets, specialty stores, independent retailers, convenience stores, and others (like online retailing).

The analysts forecast the global cookies market to grow at a CAGR of 5.99% during the period 2017-2021.
