

USTC Executes Contract with BlockEx to Launch Bitcoin & Cryptocurrency Exchange Platform

NEW YORK, NY, UNITED STATES, November 21, 2017 /EINPresswire.com/ -- USA Real Estate Holding Company (OTC PINK: USTC), a diversified public holding company, is pleased to announce today the execution of a definitive agreement with BlockEx Limited, a financial technology firm based in London, England, to launch the world's first fully KYC'd Bitcoin Exchange Platform called COINXCESS.

"We are very excited for the launch of COINXCESS as Bitcoin is still looking upwards. The rally to record highs is backed by a rise in trading volumes. We believe there is a first mover advantage to be seized, with blockchain exchanges ultimately leading to a global exchange available every hour of every day. We are thrilled to be partners with BlockEx, as we both share a mutual vision of growth and innovation utilization distributed ledger technology," stated, by Bilal Shafi, CEO of USTC.

BlockEx follows strict Know Your Customer (KYC) and Anti-Money Laundering (AML) rules and has been built specifically for institutional investors. Combining world-class security with speed and reliability the traders will be able to efficiently and securely trade Bitcoins (BTC) and Ethereum (ETH) to start.

To ensure the utmost security, your wallet will sit offline behind three levels of air-gapped security. The Exchange Platform is built in such a way that it can be used to issue and trade almost any type of digital utility token.
