HARDWARE RETAILERS

West Palm Beach, FL – November 21, 2017 – Coming to the final weeks of a record breaking year, South Florida's Big Cat Brandz landed another partnership with Home Depot for customer Jeri Rodriguez. "It's always a pleasure to visit the team at Home Depot" stated Dave Branch, Big Cat Brandz founder. "The energy at that office is awesome". Big Cat Brandz has had a huge year in hardware and household goods and will be ramping up their catalog with similar products in 2018.

The focus of Big cat Brandz is to work with emerging brands looking to break into Big Box Retail. They focus on creating as many income streams as possible for each product. The process can be long and difficult but having the Big Cat Brandz team on your side can really make the difference.

Big Cat Brandz will continue to have Buyer meetings across all channels and categories throughout the Holidays. "You have to keep pushing and showcase your products. It doesn't matter the time of year, you just must keep pushing" stated Branch.

With offices in Miami and West Palm Beach, Big Cat Brandz is the leading new product placement and branding company in the United States. Big Cat Brandz can place any product into the hands of the actual decision-making buyer, and we do that across all categories with every retailer.
