

# Global Electroplating Market is Estimated to Reach US\$14.217 billion in 2022

*Market Research Report on Global Electroplating Market*

RAIPUR, INDIA, November 22, 2017 /EINPresswire.com/ -- Report Sellers has added a new market research report "[Electroplating Market- Forecasts from 2017 to 2022](#)" to its offerings. The report is an in-depth market study providing accurate market insights including the latest trends, forecast, competitive insights, etc.

Global Electroplating Market Research Report

According to the report, Electroplating is the process which involves surface engineering for the deposition of metals on another metal surface.

Due to the growth being observed in automotive, and engineering industries, [electroplating market](#) is estimated to witness CAGR of 2.98% over the forecast period to reach US\$14.217 billion in 2022, increasing from US\$12.276 billion in 2017. The growth in the manufacturing industry, rising demand for consumer goods with good metal finishing, expanding demand for automobiles and aircraft, and surging electronics industry are some of the key market drivers.

However, various governments are formulating regulations for the electroplating industry to keep a check on the harmful gases and chemicals released into the environment during the electroplating process, thereby restraining the market growth.

**Competitive Insights:** The major players discussed in the report include Atotech Deutschland GmbH, Allied Finishing Inc., Peninsula Metal Finishing Inc., ASB Industries Inc., Kuntz Electroplating Inc., Interplex Industries Inc., Pioneer Metal Finishing, Birmingham Plating Co, Ltd., NiCoForm, Inc., and Metal Surfaces, Inc. Industry integration and partnership are some of the key strategies being adopted by players to enhance their market presence. Moreover, companies are focused on developing environment-friendly solutions by lowering emission and saving energy in order to gain a competitive edge.
