

# Gourmet Living Truffles Make A Great Christmas Gift

*Gourmet Living is offering two varieties of preserved truffles this year in its Amazon Store. Spice up your holiday with Italian truffles.*

GREENWICH, CONNECTICUT, UNITED STATES, November 26, 2017

/EINPresswire.com/ -- Gourmet Living is proud to announce that [Truffle Petals](#) and [Truffle Carpaccio](#) are now available for sale on its Amazon storefront. Tartufi Scorzone or summer truffles are sourced in the foothills of Tuscany. These truffles are then dehydrated to prevent them from spoiling or, in the case of [Truffle Carpaccio](#), sliced and preserved in sunflower oil.

Both truffle products, as well as an assortment of extra virgin olive oil and balsamic vinegar, are now on sale at Gourmet Living's Amazon storefront.

White and black truffles are one of the most sought after culinary delicacies in the world. Sadly, fresh truffles have a shelf life of not more than two weeks. Unless one happens to be in Italy or France during the fall truffle season, you may find yourself out of luck. Fortunately, preserved truffles allow you to enjoy this aromatic delicacy the year round.

“

I plan to give truffles to family and friends this year. They make great stocking stuffers for even the hardest to please family member.”

The owners have discovered a small producer near Florence, Italy who has been working with to source dried scorzone truffles that are ground from a custom mill. The carpaccio is thinly sliced by skilled artisans and then preserved in a neutral flavored oil such as sunflower oil.

Says co-owner Sheila May, "I love entertaining guests with truffle carpaccio which I spread on crackers or a thin slice of baguette. This is a WOW appetizer! I also love the

convenience of my truffle mill which I use regularly on pasta, eggs and vegetables to kick up the taste profile."

Whether you plan to use truffles as an appetizer or as the highlight of the meal, Gourmet Living's summer truffle mill or truffle carpaccio will be a welcome treat for fellow gourmands. Given their size,

both products make a manageable, yet wonderful, gift for the holidays or as a hostess gift.

Enjoy the convenience of shopping for truffles this holiday season on Amazon.
