LOS ANGELES, CALIFORNIA, USA, November 28, 2017 /EINPresswire.com/ -- What is LGBTQ photography? Is it masculine? Is it feminine? Is it non-binary or genderfluid? Must we first redefine then design new images to reflect our changing society?

30 emerging and mid-career artists will be selected from an international competition and presented in the Bert Green Fine Art booth at [The LA Art Show](http://www.laartshow.com/) <http://www.laartshow.com/>. Best in Show will be selected by celebrity juror, [Zackary Drucker](#), transgender artist, activist, actress and producer of Amazon TV's Transparent. The exhibition will include an invitational, Wall of Fame featuring top LGBTQ photographers, curated by Phil Tarley. The LA Art Show, January 10 -14, 2018, now in its 23rd year, is the largest art fair on the west coast, with an estimated 70,000 attendees over the four-day period.
