

# CannaSOS Successfully Concludes Its Private Sale, Strong Start to the Pre-Sale

*CannaSOS, a Toronto Based social network and advertising platform tailored to the cannabis industry, has announced the official launch of its Pre-Sale.*

TORONTO, CANADA, November 27, 2017 /EINPresswire.com/ -- With 2,339,595 Perks Utility Tokens already sold just two days into their Pre-Sale, PCT is positioned as a premier cryptocurrency for the cannabis industry. Over 650 early investors are already registered for the [presale](#) to fuel the existing platform's mission to connect the cannabis business industry.

The presale is from November 25th, 2017 to January 2nd, 2018. The Token Sale is from January 2nd, 2018 to February 19th 2018.

[CannaSOS](#) is a successful prototype of a global cannabis ecosystem that has been utilized and integrated within the industry for three years. CannaSOS, being used as a bridge platform between consumers and cannabis vendors, is integrating its existing social platform and reward system into the Blockchain to provide a comprehensive solution to the growing cannabis industry.

Several companies have tried to integrate a solution through token offerings but, unlike existing token offerings, CannaSOS already has a working solution and rewards based platform with thousands of users. Since its inception the platform has steadily increased its userbase and traffic by over 10% per month. Since their token offering this has exponentially increased to more than 800% per month.

CannaSOS has already announced [four strategic partnerships](#) to further integrate their token into the financial vertical within the cannabis industry. Their strategic partnerships with industry experts will allow them to successfully navigate the financial regulatory environment as they leverage their existing reward system and userbase to become the premier crypto cannabis coin.

Their strategic partnerships will facilitate point of sale solutions to the cannabis industry. CannaSOS has reserved a total of 14,300,000 PerksCoin tokens which will be circulated throughout these retail networks in over 7,000 locations.

## Latest Partnership

U.Cash: An innovative ecosystem which merges fiat cash, digital currencies/assets with financial services, U.CASH has over 4 years working with cryptocurrencies, money service businesses, payment processing, conversion location acquisition, blockchain software development, AML/KYC/Compliance development, remittances and more.
