

Las Vegas Votes RIGHT Lawyers as Best Divorce Lawyer in 2017

In the 2017 Las Vegas Review Journal Reader's Poll Right Lawyers was voted the Best Divorce Lawyer.

LAS VEGAS, NEVADA, UNITED STATES, November 27, 2017 /EINPresswire.com/ -- 15 years ago, Stacy Rocheleau had a law degree and a passion for helping people. She rented an executive suite, hung out her sign, and began helping folks all over Las Vegas file uncontested divorce papers, divide their assets, calculate alimony, and write up child custody schedules.

Her passion has grown into one of Las Vegas' busiest divorce law firms. Now Rocheleau has five lawyers, and two locations for sharing that passion. To memorialize the decade long success, Las Vegas locals voted [Right Lawyers](#) the Best Divorce Lawyer in 2017. No stranger to awards, Right Lawyers is rated 10.0 by Avvo and A+ by the Better Business Bureau. But, "to be chosen by locals was extra rewarding," says Rocheleau.

One of the comments RIGHT Lawyers commonly receives is how much the staff does to educate and inform their clients about the court process. The staff at Right Lawyers will always take the time to explain what happens next, what this means for the client, and what their options are. "The more people know about what is going to happen, the less stress they feel," says Rocheleau.

RIGHT Lawyers adopted a fixed-fee pricing system to bring further peace of mind to clients. The cost of legal representation is a source of anxiety for most people going through a divorce. Every time you call or email your attorney you get charged. "At Right Lawyers we give you an estimate of the costs and that is all we charge," says Rocheleau. The fee doesn't change even if it takes more time than estimated.

Innovating online information and tools is the next frontier for customer service for Right Lawyers. Clients who have questions about the divorce process, how much child support they might pay, or how much alimony they might receive can visit [rightlawyers.com](#). The website is a growing library of tips, tools, and videos about divorce and custody issues. At the end of the day, RIGHT Lawyers is motivated to help. They understand the stress divorce can bring and whether developing fixed fee systems, or online tools, the goal is to get their clients through the system and on with their lives.
